

KRIS TURNBULL STUDIOS

Kris Turnbull Studios is a high-end architectural and luxury interior design studio specialising in residential projects for clients and property developers throughout the UK, Ireland and Europe.

Driven by the pursuit of perfection and extreme attention to detail; we are a team of highly experienced architects and dedicated designers working on the finest properties in terms of location, quality and design. Our clients expect the highest standards in every area of their lives, and we reflect this in the exceptional level of suppliers and service we deliver. We are thoughtful and discreet to work with; providing trusted advice and support throughout the design and build process, demonstrating our value not only creatively, but also commercially.

The holistic design approach by our designers will translate into creative proposals that combine the hopes, dreams and desires of clients for their new home, contemporary extension or holiday retreat.

Building relationships and understanding the client's lifestyle and tastes, working together to create individual design briefs, is the foundation and starting point for the perfect project. Kris Turnbull Studio's expertise is in optimizing the potential of every project, from the complexity of a protected residence to innovative contemporary new structures.

The accomplished team of architects, interior designers and project managers create the ultimate interior solutions designing from the inside out seamlessly integrating the component parts of each individual project. Dedicated to designing through the eyes of each client, Kris and his creative team approach every commission in a tailored fashion backed by extensive property and design experience, award-winning developments and a natural eye for luxury.

The unique global experience of Kris Turnbull Studio's enables our clients to benefit from complete project management services, which go above and beyond. Working closely with building contractors, the team manages every stage of a project: from overall supervision and budget control, to the smallest construction detail.

We act as a creative and trusted partner to craft our client's individual vision for their project creating unique and thoughtful concepts, sensitive to the building, it's location and heritage, rather than a standard house style.

Offering a highly personalised bespoke service, we place great importance and commitment to building strong client relationships, tailoring our process to meet each client's needs, delivering a full interior architecture, furniture design and turnkey styling service from concept through to completion.

We pride ourselves on our collaborative and intuitive approach acting as a trusted consultant to create thoughtful luxurious spaces, that will be treasured for years to come. Our stylish projects reflect our extensive experience in creating luxurious and liveable spaces for national and international private clients, residential developers and boutique hoteliers.

Our reputation reflects our passion for design, hard work and interesting challenges that allow us to express our creativity and deliver our signature elegant and luxurious style.
