

## GREAT DESIGN ON A GLOBAL SCALE

A CONVERSATION WITH AWARD-WINNING INTERIOR DESIGNER KRIS TURNBULL

Kris Turnbull is a certainty when it comes to creating the most sumptuous yet comfortable interiors where glamour and exotic influences mix with each other. The founder and creative director of one of the most sought-after interior design studios in Europe has projects ranging from traditional country estates to contemporary homes and is no stranger to the Algarve.

Kris Turnbull established his design studio Kris Turnbull Studios with a timeless and sophisticated taste; Kris's signature design style is elegant, inviting and unique to each interior project.

"Our true expertise lies in the connection with our clients and translating their personalities into the design of their homes. We approach every individual project by thoughtfully asking the right questions and collaborating closely with our clients, the team aims to deliver successful solutions that surpass the clients' expectations, resulting in their lifestyle dreams being fulfilled," says Kris.

The accomplished team of architects & interior designers provide an excellent service, creating the ultimate interior solutions designing from the inside out, meeting the tastes and needs of every client in the world. With a "keen eye for design" the multidisciplinary team provides complete architectural and interior services, taking each project seamlessly from concept through to completion.

"Together with my creative team, we fully develop every aspect of each individual project; from space planning, lighting design, bespoke joinery, kitchen and bathroom design to specifying luxury furniture, fabrics and exquisite home accessories. The reputation we have built reflects our passion for great design, hard work and interesting challenges that allow us to express our creativity."

The team closely monitor the progress of all design elements on site to ensure that the design is being implemented to the highest of standards, with regular site visits and coordination with all subcontractors.

Kris's personal approach ensures every detail of the project is exquisitely realised and impeccably finished. "The building of relationships and the understanding of a client's lifestyle and desires, including working closely together to create individual design briefs, is the foundation and starting point for the perfect project. This is the heart of the studio's ethos: dedication to clients, meticulous attention to detail and creation of beautiful, unique spaces."

"I love the variety of styles across every project and every client's brief. We have a very exciting portfolio across Europe, ranging in size and scale some new build projects whilst others are interior refurbishments. It is a busy time but the variety of all the projects makes it incredibly rewarding and stimulating, with some unique holiday retreats in the South of France, Marbella and Quinta do Lago!"

Kris and his team recently featured in a tv series for BBC One showcasing a selection of design projects, illustrating the journey from inception to completion, an interesting insight to behind the scenes. The design office is set within a stunning converted Grade B-listed church, the impressive 5,000sq ft interior design studio features a selection of lifestyle rooms with a fashionable blend of

the finest furniture, most luxurious fabrics and exquisite interior collections from around the world. "Transforming a Gothic stone church into my design studio must be my greatest extravagance and a dream come true."

"I'm proud to showcase many renowned luxury suppliers; Minotti, Giorgetti, Visionnaire, Christopher Guy to name a few. The diversity of the brands and design houses we work with, guarantees a unique and comprehensive styling to suit from the traditional right through to the modern contemporary."

Dedicated to designing through the eyes of each client, Kris and his creative team approach every commission in a tailored fashion, backed by extensive property & design experience, award-winning developments & a natural eye for luxury. "We act as a creative and trusted partner to craft our client's individual vision for their project creating unique and thoughtful concepts, sensitive to the building, it's location & heritage, rather than a standard house style."
