creative team offers the full complement of design services: architecture, interior architecture, interior design and home styling.

Our stylish projects reflect our extensive experience in creating luxurious and livable spaces for national and international private clients, residential developers and boutique hoteliers. Building relationships and understanding the clients' lifestyle and tastes, working together to create individual design briefs, is the foundation and starting point for the perfect project. The success of design relies on seamlessly integrating the component parts considering furniture layouts, ambient lighting, electrical design, finishing schedules for hard finishes, bathroom and kitchen design.

The holistic design approach by our designers will translate into design proposals that combine the hopes, dreams and desires of clients for their home, holiday retreat or even simply that special room! The Kris Turnbull Studios ethos is to create a more beautiful living environment for everyone. ■
