

Framing the beholder in crown of vine branches, this stunning mirror is the ultimate artisanal piece, moulded in brass casting with silver finishing. Guarded by an evocative silhouette of water drops, this fine pair of handcrafted wall lights providing a warm and cosy light through its marble shades. The bold statement surface of the sideboard has been finished with a singular kaleidoscopic marble pattern. The sideboard has four compartments, each with sliding drawer with a polished marble finish. *kristurnbull.com*
