

# Luxury design at Kris Turnbull Studios

Celebrating a decade of success, Kris Turnbull Studios is a high-end architectural & luxury interior design studio specialising in residential projects for private clients & property developers throughout the UK & abroad. Set within a stunning converted church, Kris Turnbull Studios is the only one of its kind in the country. The stunning interior showroom features a fashionable blend of the finest furniture, most luxurious elegant fabrics and exquisite products from around the world in a selection of lifestyle rooms.

Dedicated to designing through the eyes of each client, Kris & his creative team approach every commission in a tailored fashion, backed by extensive property and design experience, award-winning developments and a natural eye for luxury; they take a hands-on approach to every project ensuring each is delivered with love & care to suit each clients' desires, needs & requirements.

Kris Turnbull and his talented team are renowned for being one of the most desirable and esteemed design studios in the UK, Europe & The Middle East. The creative team offers the full complement of design services: architecture, interior architecture, interior design & styling.

Offering a highly personalised service, a team of highly creative and dedicated designers is driven by the pursuit of perfection and extreme attention to detail working on the finest properties in terms of location, quality and design. Our stylish projects reflect our extensive experience in creating luxurious and livable spaces for national and international private clients, residential developers and boutique hoteliers.

Kris Turnbull Studios designs by asking the right

questions and collaborating closely with our clients to deliver successful solutions that surpasses client expectations resulting in their lifestyle dreams being realised. Building relationships and understanding the clients' lifestyle & tastes including working together to create individual design briefs, is the foundation and starting point for the perfect project. The team expertise, inspirational and innovative approach in all aspects of building design and refurbishment ranges from overall design solutions and construction to the more specific requirements and desires of our clients.

The success of design relies on seamlessly integrating the component parts; considering furniture layouts, ambient lighting, electrical design, finishing schedules for hard finishes, bathroom and kitchen design. The holistic design approach by our designers will translate into design proposals that combine the hopes, dreams and desires of clients for their home, holiday retreat or even simply that special room! Combining a rational approach with investigative and imaginative use of materials we continue to expand our reputation for delivering new build architecture, as well as giving vibrant and sustainable life to old and historic buildings through adaptive and innovative visions. The diversity of brands, design houses and world influences guarantees a unique and comprehensive styling to suit from the traditional right through to the modern contemporary.

Kris Turnbull Studios main aim is to create a more beautiful living environment for everyone. ■
